Galatians: Faith Alone in Christ Alone

Sons Not Slaves

Galatians 3:26–4:7

Today's passage gets to the heart of the gospel Paul preaches. It addresses the Christian's core identity as adopted sons of God. Until we have a clear grasp of our identity in Christ, we will struggle to comprehend our relationship with God and with fellow man. We will also fail to enjoy the freedom of life under the gospel. So how would you describe your core identity?

1. Enjoy your status as sons of God

2. Enjoy your privilege as heirs of the promise

3. Enjoy your closeness as children of the Father
