His Needs Her Needs by Willard Harley

Men and women are different and have different needs, not wants. Dr. Harley identifies the ten most vital needs of men and women and shows spouses how to identify and satisfy those needs in each other. Millions of couples have learned to keep the romance alive by reading *His Needs, Her Needs*. Drop by the Home Life Center to browse this featured book and enter the drawing for a free copy of the book!

**This is the last week to enter the drawing.*
