In 1979, Lillian joined the Christian Education Ministry of CCI Hong Kong and served as the Executive Director of CCI Taiwan. In 1999, she joined the Christian Communications Inc. of USA and has been serving for 24 years. She has dedicated over 40 years of her life to working with CCI. The Lord has trained her to serve in Publishing, Christian Education, and Mission Ministries, using her gifts and resources to assist the church in building up disciples. Lillian has two sons who serve as Pastors in Houston area churches.

Mike McGinty

Mobilizer, OMF International

Mike and Rowena McGinty called Japan their home for over 34 years, residing in the Greater Tokyo area in their final term. They served at OMF International headquarters, where Mike was the Director of the Japan field while Rowena used her gifts for hospitality and childcare. The McGintys spent the majority of their years in the northern island of Hokkaido where their primary ministry was church planting and led five different church planting teams. During those years, they also managed a children's school, set up OMF's short-term ministry program and directed all OMF ministries and missionaries in Hokkaido as the Regional Director. All of this changed dramatically in 2011 when they were asked to suddenly relocate to Iwate Prefecture following the Great East Japan Earthquake to lead a two-year relief work.

Mike and Rowena have been married 44 years and have three married children and nine grandchildren located in Texas, North Carolina and Japan. The McGintys returned to the States in April 2018 and continue their ministry with OMF International. Still with a burden for the Japanese, Mike took on a newly created role to specifically mobilize and equip new workers for this large unreached people group. Their main objective is to recruit, equip and care for new OMF workers going to Japan. To facilitate this, Mike continues to work with the Japan field leadership team to strategically train and deploy new workers for an eternal harvest in Japan.

Pastor Taylor served at Chinese Bible Church of Greater Boston in both Chinese and English congregations for 5 years. He has also served OMF extensively in various roles with Campus Evangelical Fellowship in Taiwan; then in Hong Kong as Chinese Ministries' Director for Personnel, as Chinese Ministries' Field Director, and then as the Chinese Ministries Consulting Director, focusing on mission mobilization and cross–cultural missionary training. Jonathan Lui
Director of International Launch, The Navigators

Jonathan worked as a Software Engineer for 5 years before serving overseas as a missionary in Russia from 1993-1995. Grace and Jonathan married in 1995 and served in Almaty, Kazakhstan from 1997 to 2006 where Jonathan was the president of a Kazakh NGO (non-government organization). They ministered to the Kazakhs through educational services, linguistics research and publication (i.e. bible translation), humanitarian-aid, and community development. In 2005, Jonathan graduated with a MA in Intercultural Studies from Western Seminary and obtained a TESOL certificate by Cambridge University. From 2006 to 2015, they moved and served in 2 different cities in East Asia where Jonathan worked at local universities as a TESOL teacher. The workplace and their home provided opportunities for them to advance the gospel of Jesus and His kingdom into the nations through spiritual generations of laborers, living and discipling among the lost.

Currently, Jonathan is the Director of International Launch overseeing missionary appointees' preparation and training before sending them to their mission field.
