A Church on Mission

Acts 1:1-11

HCC's legacy and vision is rooted in church planting. For nearly fifty years, we've been on a mission to make disciples and to plant churches. This morning we have the privilege of sending off a team to start Ethnos Church – a church-planting church hoping to reach the nations that have come to Houston, particularly in the neighborhoods surrounding the Energy Corridor.

1. A Mission Advanced with the Spirit's Power

2. A Mission Advanced with Centrifugal Force

3. A Mission Advanced with Patience and Diligence
