

Rebuilding the Ruins: A Series in Nehemiah

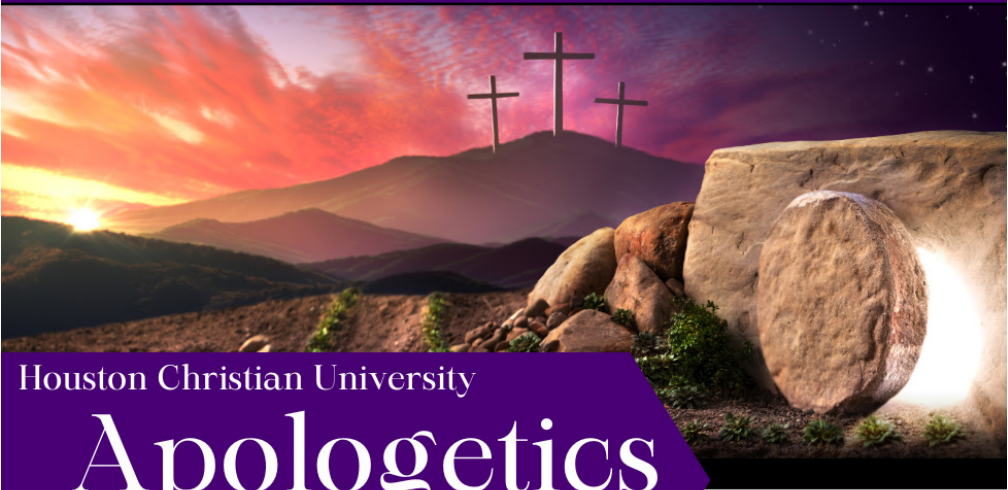

Rebuilding with God's Hands on You

Nehemiah 2:1-20

Prayer and planning complement each other in working out God's will. While we depend on God's power and sovereign rule, we carefully organize plans that can further his purposes; while we wait, we prepare. God supplies his people with what they need to accomplish his purposes.

1. Nehemiah's heavy heart (2:1-4)
2. Nehemiah's bold request (2:5-10)
3. Nehemiah's inspection of the walls (2:11-16)
4. Nehemiah's vision to rebuild the wall (2:17-18)
5. Nehemiah's opposition (2:19-20)
