

**Rebuilding the Ruins: A Series in Nehemiah**

*Rebuilding by Covenant Renewal*

Nehemiah 9:38–10:39

Naturally, as a follow-up to the people returning to God in repentance, the people enter into a curse and oath to walk in God's law and to do all that he has commanded his people to do. In their covenant renewal they focus on three areas where the people of God have most prominently failed to do: Mix marriages, observing the sabbath, and giving support to the house of God. We'll see how these play out in our hearts today as we live in relationship with God.

1. Wholly set apart for God
2. Wholly dependent on God
3. Wholly devoted to the house of God
