

Rebuilding the Ruins: A Series in Nehemiah

Rebuilding by Always Reforming

Nehemiah 13:4-31

Many of us have experienced God's faithfulness. He provides for us a spouse. He enables us to escape debt. He allows us to enter the school of our choice. These things remind us that God is with us. Yet we find ourselves lapsing over time into sin. Anger. Greed. Grumbling. How do we cultivate a lasting faithfulness after experiencing God's faithfulness?

1. The returnees lapsed in their faithfulness to God even though God faithfully helped them rebuild the wall of Jerusalem.
2. We lapse in our faithfulness to God because we are prone to wander.
3. Seek God's help to always reform so that we would be faithful to Him.
