

Galatians: Faith Alone in Christ Alone

Called By Grace Galatians 1:11-24

The most powerful stories ever told are often testimonies of God's grace in converting people. The Apostle Paul's conversion on the Damascus Road is s

one of the best known. His retelling of it in Galatians I has its own polemic purpose in the course of the letter, but his testimony also demonstrates important realities regarding the Christian gospel.	
1.	Where the gospel comes from originally
2.	How the gospel applies to us personally
3.	What the gospel does in us decisively
