Galatians: Faith Alone in Christ Alone

The Glory of Christian Freedom

Galatians 5:1-15

Some of us believe that our sins can never be overcome. We cannot escape sexual addiction. Struggle with self-image persists. Self-pity overwhelms us. We've tried self-help counsel. But it doesn't work. Some of us have waved the white flag. It only makes us feel worse. The only way to overcome sin is the embrace of Christian freedom.

1. Christian freedom is secured by Christ alone (5:1-2)

2. Christian freedom is nullified by self-sufficiency (5:3-12)

3. Christian freedom is used to reject selfish desires to love others (5:13-15)
