Dear Brothers & Sisters,

We thank God for leading us on this journey of grace, bringing us this far! In March, we will make important decisions for the renovation of the new building based on the results of the pledge campaign. The current fundraising for the renovation is entering its final stage, with less than two weeks remaining until the pledge deadline! This is a moment of faith, and we earnestly ask everyone to pray in unison, asking God to provide everything we need. We also invite you to actively participate in the pledging, so that we can work together with God and ensure the smooth progress of the project without delays.

The Bible tells us: "Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us." (Eph 3:20) We look forward to the church's involvement in the new building renovation project, with willing hearts to contribute. No contribution is too small—two pennies are not insignificant. God can use five loaves and two fish to feed five thousand, and He will provide for our needs. May God bless each of you during this fundraising process, "so that having all sufficiency in all things at all times, you may abound in every good work." (2 Cor 9:8)

On February 23 (next Sunday), there will be a special charity sale in the lobby, featuring various items that express the love and dedication of our brothers and sisters. Every bit of support, no matter how big or small, is a contribution to the construction of the new building. Let us walk together in unity and experience God's work!

In Christ,  
Pastor Jason & Pastor Thomas
