The Dead Shall Rise: A City-Wide Praying & Fasting Initiative (HCPN) Empowered by His Word Luke 8:40-56

Many of us will face desperate situations. Terminal Illness. A wayward brother. A lay off. Enormous debt. Relational conflict. Loneliness. Mental illness. We fee like everything we do fails to make things better. What should we do when we find ourselves in a desperate situation?	
1.	Desperate situations reveal our lack of power
2.	We seek God's help because he has the power to save us.
3.	Trust in God's word that he will powerfully intervene to save you from your desperate situation.
