

The Dead Shall Rise: A City-Wide Praying & Fasting Initiative (HCPN)
Unlocked by His Death
Matthew 27:32-54

Our series has been centered on biblical passages where God raises the dead. In Matthew's gospel, there's a unique and peculiar reference to dead saints being raised to life and emerging from their tombs, after Jesus's resurrection, appearing to many in Jerusalem. That moment hints at the earthshaking, life-changing consequences of Jesus's death on the cross.

1. The shameful agony he willingly endured (vv32-44)
2. The divine desertion he acutely felt (vv45-50)
3. The cosmic upheaval his death affected (vv51-54)
