

## SERMON NOTES

**The Dead Shall Rise: A City-Wide Praying & Fasting Initiative (HCPN)**  
**No Tomb Can Hold Him**  
*Matthew 27:55-28:15*

People respond to the idea of Jesus rising from the dead in different ways. Some think that Jesus had passed out on the cross. Three days later, he woke up. He then died later. Others think that the disciples stole the body of Jesus, and they spread a lie. There's an idea that the disciples fabricated the story of resurrection so that they could gain fame and power. But what does the Bible say about the resurrection of Jesus? More importantly, how should we respond to the resurrection of Jesus?

1. The enemies of God work to keep a lid on the resurrection of Jesus
2. Despite the efforts made to prevent the resurrection of Jesus, no tomb could hold Him.
3. Believe in the resurrection of Jesus and it will change you.
