Jesus is Better: A Study of Hebrews

A Better High Priest

Hebrews 4:12-5:10

Hebrews had already argued that Jesus's role in revelation surpasses that of angels and prophets. Starting in our passage, the focus shifts to Jesus's role in redemption. He's presented as superior to the OT priests and the sacrifices they offered. Jesus is introduced as the better High Priest who can bring us before the throne of grace.

1. A Living Word that can penetrate our hearts
2. A Superior Priest who can draw us near to God
3. A Sympathetic Priest who can help us in times of need
