Jesus is Better: A Study of Hebrews

A Better Blood

Hebrews 9:15–10:18

Christianity is a bloody religion. Its Jewish background is filled with altars soaked in the blood of bulls and goats. And it doesn't lighten up in the New Testament. At the center of Christian worship stands a bloody Lamb that has been slain. While some find this blood talk disturbing, the book of Hebrews asserts that the blood is what makes our faith better.

1. Our need for the blood
2. Our access through the blood
3. Our assurance secured in the blood
