### **If God is For Us: The Life and Trials of Joseph**

Reconciliation

*Genesis: 45:1-28*

The moment of truth has arrived in Joseph's story. As he reveals himself to his estranged brothers, they react in horror, fearing the worst. But instead of wrath in Joseph's eyes, they see tears. This beautiful picture of reconciliation in Genesis 45 is meant to inspire us to pursue the same in our broken relationships.

1. The proofs that evidence reconciliation
2. The preconditions that enable reconciliation
3. The perspective that encourages reconciliation
